Work and Hardware - Unclassified.

The association of the sponsor with the work being produced under this Contract is classified CONFIDENTIAL. This classified information and any other classified information which may be specified above, will be divulged only on a need-to-knew basis and then only to those who have been authorized in writing by the sponsor to have access to classified information. Correspondence originated by you which contains the name and address of the Contracting Officer shall be stamped with the classification of CONFIDENTIAL, unless such correspondence contains data of a higher classification in which case it shall bear the same classification as such data.

In the event any question may arise during the preliminary phases of the work and/or research concerning the security of the technical aspects i.e., security classification of various component parts and/or related reports connected thereto, the Tochnical Representative of the Contracting Officer is authorized to furnish security guidance during this interim period. This is only to be considered an authorized expedient and efficient means of resolving technical security problems by the Technical Representative of the Contracting Officer on the spot and is not to be construed as a waiver of the Contractor's responsibility to request formal written notification and/or authorization from the Contracting Officer prior to effecting any changes in over-all security classification of the contract, or item and/or reports being developed thereunder or the Contractor's Security Requirements, as agreed.

CONFIDENTIAL
